TO WHOM IT MAY CONCERN

Dear Sir/Madam,

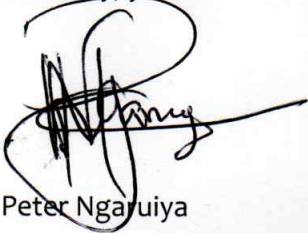

RE: RECOMMENDATION

I am pleased to write this letter to recommend the services for The Blue Heights Events Ltd, during the past five years our company has engaged them during “The African Dairy Conference and Exhibition” which is undoubtedly the largest and most comprehensive Dairy Sector event in Africa and beyond.

During these projects they pointed out the concern for quality and attention to details that the company has, and a dedicated team with integrity.

We would therefore recommend them for future business in any organization for conference & exhibition and event management services.

Sincerely, yours

Peter Ngaruiya

Executive Director
